PLAYING FOR A CAUSE

THE TRADITION CONTINUES...

Rebuilding Together Dutchess County is an independent, local affiliate of Rebuilding Together, the nation's largest volunteer organization working to preserve affordable homeownership and revitalize communities by providing home repair and renovation services at no cost to those in need.

Since 1992, we've been repairing and renovating the homes of neighbors in need, including seniors, people with disabilities and veterans. We partnered with over 13,500 volunteers to complete over 750 home repairs and 4 non-profit facility projects, investing a market value of over \$6.5 million into communities throughout Dutchess County.
