

## Light It Up Program

**Rebuilding Together Dutchess County**, a non-profit organization whose mission is safe and healthy housing, now offers the **Light It Up Program**. This program provides and installs motion-activated solar-powered lights to the exterior of participants' homes at **no cost** to them to ensure the safety of the home occupants and surrounding community while reducing crime.

### **YOU MAY QUALIFY IF YOU:**

- **Own your own home**
- **Submit an application**
- **Are present on installation day**

### **For more information and/or to apply:**

- **Call (845) 454-7310 or**
- **Visit [www.rtdutchess.org/our-programs](http://www.rtdutchess.org/our-programs) or**
- **Send an application today to PO Box 3695, Poughkeepsie, NY 12603**

# **HOME FIRE SAFETY PROGRAM**

**Rebuilding Together Dutchess County**, a non-profit organization whose mission is safe and healthy housing, offers a **Home Fire Safety Program**. We can install smoke-alarms and carbon monoxide-detectors, and create an escape plan at **no cost** to the recipients.

**In a house fire, you can have as little as two minutes to escape. Smoke detectors and an escape plan greatly increase the chances of safe evacuation. Detectors are available while supplies last.**
