Celebrating 25 Years of providing safe and healthy homes

2017 SPONSORSHIP TOOLBOX
A SAFE AND HEALTHY HOME FOR EVERY PERSON

Together we transform the lives of low-income homeowners by improving the safety and health of their homes and revitalizing our communities. Rebuilding Together Dutchess County is one of 150 affiliates across the country, which mobilize volunteers to make critical home repairs at no charge to low-income homeowners.

FACES OF OUR MISSION

ELIZABETH is an 86-year-old widow of an Army veteran who lives in her 1960s home with her son. Unfortunately, due to her limited mobility, she was becoming unable to make the walk up and down her driveway in order to use community transportation. On Fall Rebuilding Day, volunteers completed no-cost critical repairs for Elizabeth including: installation of handrails along the driveway and grab bars in the bathroom, gutter and plumbing repairs, electrical upgrades, stair repair and the removal of tripping hazards.

“The rails are going to help me walk because I am not steady on my feet. Especially when it starts to get cold, I have to hold onto something since my walker slides. Thank you very much for everything.”

As a wheelchair user, PHILLIP needed modifications to make his home easier and safer to get around in. During National Rebuilding Month, RTDC completed several no-cost repairs and modifications including: creating an accessible bathroom, installation of an accessibility ramp, gutter repairs, electrical upgrades, and modifications to doors and levers.

"Feels like it’s Christmas here. I just marvel at everything. These people are a gift from God."
