REBUILDING TOGETHER DUTCHESS COUNTY

Rebuilding Together Dutchess County (RTDC) is an independent, local affiliate of Rebuilding Together, the nation's largest volunteer organization working to preserve affordable homeownership and revitalize communities by providing home repair and renovation services at no cost to those in need.

Since 1992, we've been repairing and renovating the homes of our Dutchess County neighbors in need, including seniors, people with disabilities and veterans. We partnered with over 14,000 volunteers to complete over 1,000 home repairs and 6 non-profit facility projects, investing a market value of over \$7.4 million into communities throughout Dutchess County.

[RE]BUILDERS & BREWERS

In 2019, RTDC launched our 1st Annual [Re]Builders & Brewers tasting event celebrating the resurgence of breweries and cideries in the Hudson Valley, many who use local ingredients in their special crafts. This year, we are bringing back our overwhelmingly popular tasting event in a safe format on the links at Casperkill Golf Club.

Enjoying some of the best beer and cider of the Hudson Valley while playing golf on a crisp fall day and supporting a great non-profit – what could be better?
