

REBUILDING TOGETHER DUTCHESS COUNTY

2022 SPONSORSHIP TOOLBOX

REPAIRING HOMES, REVITALIZING
COMMUNITIES, REBUILDING LIVES.

A Safe and Healthy Home for Every Person

Since our founding locally in 1992, we have partnered with over 14,000 volunteers who have donated over 133,000 hours of their time to provide repairs on over 1,000 homes and six nonprofit facilities, investing a market value of \$7.4 million into communities throughout Dutchess County.

"This is a big thing for us, I just have to pinch myself to remind myself it is even happening." - Carole

Donald was creative and handy around the house, and so fixing up the old home was not only fun but an improvement for the family. Together, he and his wife Carole, repaired the back porch, ripped down old plaster walls and tore up flooring. But when Donald suddenly passed away, it left the home in a state of disrepair. With three generations living in the home and Carole's grandkids living with asthma, she knew she needed help.

Wappingers Falls Mayor Matt Alexander told Carole about Rebuilding Together, and on National Rebuilding Day 2019, volunteer teams from Wells Fargo Housing Foundation and Veith Electric finished the work Carole and her husband started!

"All these people are making me happy. I just want a safe home for my kids," she explained. "I love Dutchess County, I don't want to leave", insinuating that she wouldn't be able to afford to stay without having the repairs done.

"It's so exciting. Just to see how many people showed up; everybody is hands on, everyone is doing something. It's incredible. I am amazed" - P'ninah

Along with her daughter, P'ninah has lived in her home since 2001 and grew up in Dutchess County. With time, a retaining wall alongside her driveway started to crumble and she was afraid to park there for fear it would crumble on her car, or worse, her daughter. Friends would visit and trip over the uneven walkway and front steps, and her kitchen was unsafe, only functioning with the use of extension cords.

Thanks to teams from the United Methodist Church of Hyde Park and Veith Electric, these repairs and others were remedied. P'ninah could just jump for joy, with all the work that was done. "I won the lottery; I mean that's how it feels. It will do nothing but improve our lives for decades to come."

Program Sponsorship

Rebuilding Day Program – Our flagship program focusing on large-scale critical repairs and accessibility modifications necessary to maintain a safe and healthy living environment.

Handyman Program – A year-round program providing minor home repairs and accessibility modifications for homeowners 60 years and older.

Home Safety & Fire Prevention Program – This program educates homeowners about fire safety and installs code-compliant smoke and carbon monoxide alarms, fire extinguishers, and reflective house numbers.

Community Strong Program – Provides improvements to a variety of non-profit facilities and common spaces used by thousands of Dutchess County residents.

30th Anniversary Fall Event

Rebuilding Together Dutchess County (RTDC) is excited to celebrate 30 years of serving Dutchess County homeowners. Founded in 1992, RTDC has brought volunteers, homeowners, and community members together to repair homes, revitalize communities and rebuild lives. In the past 30 years, RTDC has completed over 1,000 critical home repair projects and invested more than \$7.4 million in market value back into the community. With nearly 38% of Dutchess County Homeowners being cost-burdened, RTDC fills an essential need in our county. This year we will celebrate our 30th anniversary to thank all of our volunteers, donors, partners, and government officials. Stay tuned for sponsorship opportunities and further details.

"It is nice to know that there are people within our community that still care. The volunteers and staff have been so caring, compassionate, and knowledgeable. The work that was done will allow me to stay in my home forever, in a warm and safe environment."
