

REBUILDING TOGETHER DUTCHESS COUNTY

2023 SPONSORSHIP TOOLBOX

REPAIRING HOMES, REVITALIZING
COMMUNITIES, REBUILDING LIVES.

A Safe and Healthy Home for Every Person

Since our founding locally in 1992, we have partnered with over 14,230 volunteers who have donated over 137,170 hours of their time to provide repairs on over 1,070 homes and six nonprofit facilities, investing a market value of more than \$7.9 million into communities throughout Dutchess County.

John and Susan had always had the ability to either repair their home or to hire professionals to do the work. But, when John had multiple surgeries and medical expenses started to pile up, they had to defer regular home maintenance and things fell into disrepair.

With help from Consigli Construction, John and Susan now feel safe again in their home.

"These services were the best gift you could ever receive. I didn't know what we were going to do except patchwork here and there. Our home looks beautiful and is warm and safe. Thank you so much for helping us in our time of need. We can never thank you enough. That weight is gone and the smiles and tears are real and will be forever."
- John & Susan

"It is unbelievable that all these things can be done in one day, when it's things I've been trying to accomplish for years." - Alice

Alice was faced with having to make the decision to give up her home and move somewhere she was not comfortable with. "I tear up every time I even think about it," she stated, "...I wanted to stay home!"

Thanks to the many repairs made by the volunteers from GKontos Roofing Specialists, Alice can stay in her beloved home of 54 years.

"[Rebuilding Together] has made this possible, made it possible for me to stay here." - Alice
