

REBUILDING TOGETHER DUTCHESS COUNTY

2024 SPONSORSHIP TOOLBOX

REPAIRING HOMES, REVITALIZING COMMUNITIES,
REBUILDING LIVES.

A Safe and Healthy Home for Every Person

Since our founding locally in 1992, we have partnered with over 14,230 volunteers who have donated over 137,170 hours of their time to provide repairs on over 1,080 homes and seven nonprofit facilities, investing a market value of more than \$8 million into communities throughout Dutchess County.

John and Susan had always had the ability to either repair their home or to hire professionals to do the work. But, when John had multiple surgeries and medical expenses started to pile up, they had to defer regular home maintenance and things fell into disrepair.

With help from Consigli Construction, John and Susan now feel safe again in their home.

“These services were the best gift you could ever receive. I didn’t know what we were going to do except patchwork here and there. Our home looks beautiful and is warm and safe. Thank you so much for helping us in our time of need. We can never thank you enough. That weight is gone, and the smiles and tears are real and will be forever.”
-John & Susan

“I’m so grateful to Rebuilding Together, you saw my need and changed my life forever.”

-Gloria, Town of Poughkeepsie

Gloria faced many challenges to her health and mental well-being with all that had to be repaired and replaced at home. “I felt scared and did not know if things would turn out okay for me to stay at home. Rebuilding Together saw my need and changed my life forever,” She expressed.

Thanks to the many repairs made by G.Kontos Inc., Nurzia Construction and the volunteers from Wells Fargo, Gloria can continue to live in her home, now safely and healthily for years to come.
