

# REBUILDING TOGETHER HUDSON VALLEY

## 2025 SPONSORSHIP TOOLBOX

**REPAIRING HOMES, REVITALIZING  
COMMUNITIES, REBUILDING LIVES.**

## A Safe and Healthy Home for Every Person

Since our founding in 1992, we have partnered with over 14,463 volunteers who have donated over 138,082 hours of their time to provide repairs on over 1,103 homes and eight nonprofit facilities, investing a market value of more than \$8.3 million into communities throughout the Dutchess and Ulster Counties.

### Impact Stories from the Homeowner

This homeowner is 87 years old and has lived in her home for 52 years. She is fiercely independent and wishes to continue to live in her home for as long as she can. Her husband passed away 23 years ago and he really kept the house going with repairs when needed. Corbina has done the best she can with keeping up on things but has admitted that she just can't keep up with things the same way due to her age and limited fixed income. She raised her family here and still considers this the family home and hopes to be able to remain here for many years to come, for not only herself but for her family, as well. When notified that Rebuilding Together would be assisting her, she was overwhelmed.

***"This truly means the world to me. I was becoming very discouraged with trying to figure things out. At my age I just cant do the things around the home that are needed." The constant burden really started to effect her emotionally. Corbina is so thankful for Rebuilding Together Hudson Valley. "It's absolutely wonderful, really a dream come true..." she stated once more.***
